10 FEB 22

- Opportunity for act down lost
- Shift from Anti Saxe to Anti Govt
- well see that shift to Anti Govt as well.
- Role of Premier?
Premier has not seen a loss of credibility or moral authority.
- Attention now shifted to Federal Govt.
- Challenged - where govts make changes this empowers the group.
well continue to build as govts make changes
- Ocasio - thinking about relaxing measures
+ Protesters will see as a win in portraying a win for protesters.

- Group embedded in former military + police intell.
 - They know police are not built for long lasting occupation ~~not~~ in other areas
 - 1100 FOU in all police officers.
- ALL PART TIME

- MoneyHeist.
- Ottawa Critical Incident Commander Quiz + they exploit that.
- Presence in Ottawa, Windsor + BWB.
- Difficult to take positive action ~~simultaneous~~ ACTION.
- when we move on they will pop up elsewhere
- will continue to target high value targets.
- with every action will be a reaction.
- Hourly contact w/ Partners
- they have stretched Police.
- BWB - proactive in engaging w/ CBSA + Homeland Security
- How do we prevent that?
- Restrict traffic causes congestion but bridge remains open.
- Counter Protesters tomorrow PLT trying to convince them not to do it + if not successful stage them elsewhere
- Big hurdle - Comms from Ottawa Police

10 FEB 2022

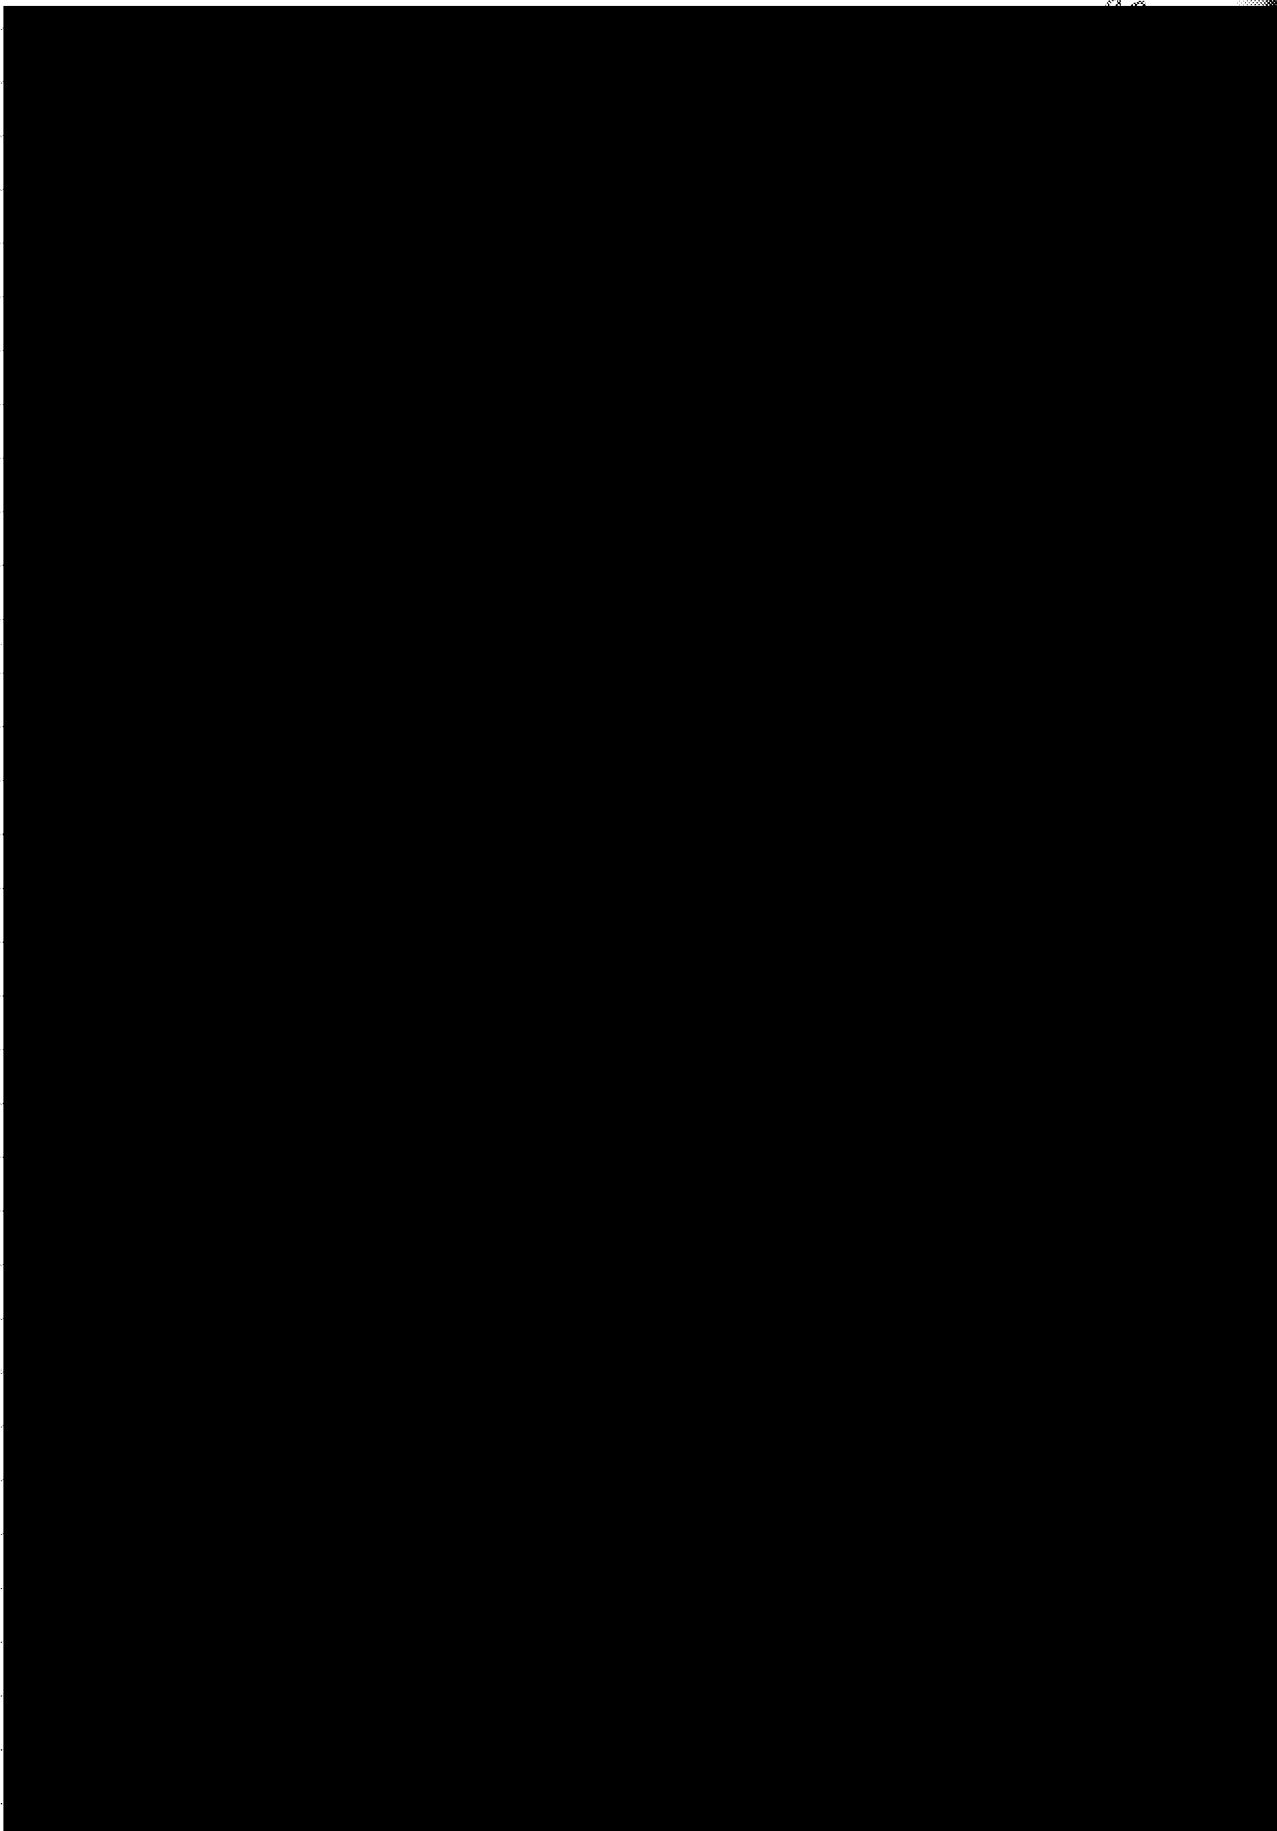

- Request for 1800 is unrealistic over representation.
- Used by protesters to make police line thin.
- Advice to slaly stop telling people that you're a victim + pleading for help.
